HONDA
The Power of Dreams

FOR THE VERY, VERY
DEMANDING

NEW
JAZZ

Chrome Accentuated High Gloss Black Grille

Advanced LED Headlamps (Inline Shell) with DRL

Signature Rear LED Wing Lights

^Segment-Exclusive One-Touch Electric Sunroof

Advanced LED Fog Lamps

R15 Alloy Wheels

Electric Mirror with Turn Indicator

If one word could describe you, it is 'demanding'. Your penchant for going above and beyond is second to none, expecting nothing less from things around you. Like a sunroof in a hatchback, or the smoothest in CVT. The fact that you expect the absolute best in everything you do proves that the New Honda Jazz is made just for you. It is

**FOR THE VERY,
VERY DEMANDING**

^Segment is defined by hatchbacks with length usually up to 4 000 mm and engine size up to 1.2 Litres.

^SEGMENT-EXCLUSIVE

***A VIEW WORTHY
OF THE VERY, VERY
DEMANDING***

The New Honda Jazz is for the ones who seek magnificent views, glorious light and crisp air. It features a ^segment-exclusive, one-touch electronic sunroof that opens up to a whole new world, deserved only by the very, very demanding.

^Segment is defined by hatchbacks with length usually up to 4 000 mm and engine size up to 1.2 Litres.

Hands-On Intelligent Steering (Audio, Hands-Free, Paddle Shift & Cruise Control)

Auto AC with Touchscreen Control Panel

Advanced Multi-Info Combi Meter

One-Push Start/Stop Button with Smart Key

ALL DEMANDS ARE FULFILLED WITHIN

Armed with the smart key, a push of the button is all it takes to set off on the most demanding of journeys in the New Honda Jazz. The Soft Pad Dashboard lures you in, while the Best-In-Class Space makes sure that you never run out of room for company. Once you discover the Hands-On Intelligent Steering Wheel with the effortless Paddle Shift and the comfort of Cruise Control, there's no turning back.

CONNECTIVITY THAT GOES BEYOND YOUR DEMANDS

The advanced floating DIGIPAD 2.0 has more connectivity features than you could ever demand. Be it the ability to seamlessly connect with your smartphone and enable a digital lifestyle through intuitive and easy-to-use controls, or the ease of unlocking the full potential of both iOS and Android phones with Apple CarPlay and Android Auto respectively. Add to that the Weblink which lets you seamlessly operate popular smartphone apps, and the rear camera display on the infotainment hub, it turns into a display audio system for the most demanding out there.

^Segment is defined by hatchbacks with length usually up to 4 000 mm and engine size up to 1.2 Litres. *Depending on compatibility and configuration of smartphone.

THE DEMAND TO BE THE SMOOTHEST

If you demand the smoothest transmission, it's got to be a Honda CVT, simply because nothing else combines smoothness, efficiency and performance like it does. A Honda innovation at its best, it was developed as a part of 'Earth Dreams Technology'. The 7-speed Paddle Shift when combined with Cruise Control makes sure that you have the smoothest driving experience, even on the most demanding of journeys.
